

# Hannig Cup Regatta 2024

Sailors for the Sea

Platinum Level Regatta

Redwood City, California

Prepared by: Kathy Harris

# Eliminate Single-Use Water Bottles and Provide Water Refill Stations

Outside and Inside Refill Stations!

Hannig Cup  
Glasses and  
Reusable  
Water Bottles  
were given  
to guests.

# Eliminate Plastic Straws

Our Green Team appreciated The Club at Westpoint for following the Clean Regatta Rules.

# Provide Reusable Bags

The Hannig Cup Team had fun putting together 130 reusable bags filled with Environmentally Friendly items including:

- \*Hannig Cup Reusable Water Bottle
- \*Solar Lantern
- \*Reef-Safe Sunscreen
- \*Dental Floss (Cocofloss, made from recycled water bottles.)

# Award Practical Items Or Use A Perpetual Trophy

Hannig Cup Regatta has awarded two Perpetual Trophies every year. One is for fastest boat and one is for the boat raising the most money for charity.

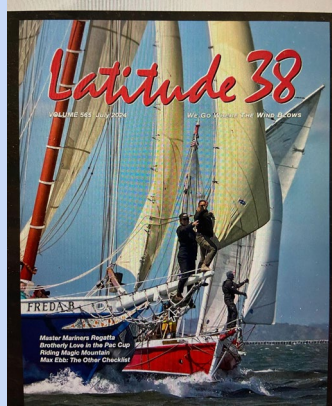

Smart Watches and  
Battery Packs Were Also  
Awarded

# Publicize Your Sustainability Efforts

Our Theme “Going for the Green” Save the Date Post and Final Poster were distributed electronically via social media and email.

Latitude 38 published Hannig Cup Regatta Event Poster in it's July and August 2024 issues.

Publicity included  
Clean Regattas Logo

CLEAN REGATTAS

# Promote Alternative Transportation

Boaters were given space at the Guest Dock. Bike Racks and Lockers, and Electric Charge Stations for boats and vehicles are always on site.

One of our  
Spectator Boats  
was an Electric  
Powered  
Vessel.  
Captain Craig  
taught guests  
about the  
Environmental  
Benefits.

# Involve Local Organizations

The Hannig Cup Team organized a Coastal Clean-up with the help of the San Mateo County Sheriff's' Activity League members.

Hannig Cup also formed Hannig Environmental Research Organization to give back to the marine environment that has helped us raise millions of dollars for charity.

The Hannig Cup Regatta was supported by Sequoia Yacht Club, The Club at Westpoint, Hannig Environmental Research Organization [www.HEROONLINE.org](http://www.HEROONLINE.org) , Hannig Law LLP , Black Mountain Properties, Sea Scouts Redwood City, PYSF and the Uccelli Foundation.

# Increase Awareness of Wildlife and Habitat Protection

Reusable Zip Ties....no plastic entering the water!

Posted on Westpoint Harbor Website:

We are committed to the welfare of the wildlife that abounds in and around the harbor. Please observe the “No Wake” markers in Westpoint Slough as the habitat on Greco Island supports several endangered species. There is no landing permitted on Greco Island, nor on Bair Island, where they abut Redwood Creek.

4. **CLEAN REGATTA PRACTICES**

- 4.1. Participants are expected to adhere to environmentally friendly guidelines, including waste reduction, recycling, and minimizing their impact on water and land.

- 4.2. All competitors are discouraged from using single-use items, such as water bottles, and recycle all appropriate items.
- 4.3. Competitors are reminded that the rules and applicable laws provide that competitors shall not intentionally put trash in the water (RRS 47).

Thank you Sailors for the Sea!  
We learned a lot and we are proud of our  
successful “Clean Regatta”

Thank you Ted Hannig  
for being the  
Founder of this annual  
event.
