

Sailors for the Sea Clean Regatta Platinum Level Sustainability Report

Safe Harbor Race Weekend

August 12 – 15, 2021

Prepared by: Litsa Darby
Clean Regatta Organizer
ldarby@shmarinas.com

1. Eliminate Single-Use Water Bottles and Provide Water Refill Stations:

Please see attached examples of Safe Harbor Water Refill Stations at our properties. We also partnered with JUST water to provide our members with a boxed water alternative.

2. Eliminate Plastic Straws:

We provide all of our guests with paper straws -- especially in our restaurant, Belle's Cafe!

3. Serve Food with Plastic-Free Dinnerware:

All of our Race Weekend social events and restaurants follow the guidelines of plastic free.

4. Use or Provide Reusable Bags:

We provided Sea Bags for all of our members (bags made out of used sails) & our Race Weekend sponsors provided reusable bags for guests - we promoted them on social media!

5. Award Practical Items or Use a Perpetual or Upcycled Trophy:

All of the awards from the weekend were practical items or upcycled trophies. We had silver goblets and sustainable cutting boards thanks to our friends at Soundview Millworks. The overall winner of Safe Harbor Race Weekend received a Beau Lake paddleboard.

6. Publicize Your Sustainability Efforts:

Post 1 (Left): Your Story 22s

Post 2 (Right): Your Story 1h

SUSTAINABILITY

SYM JUST SEA CLEAN REGATTAS

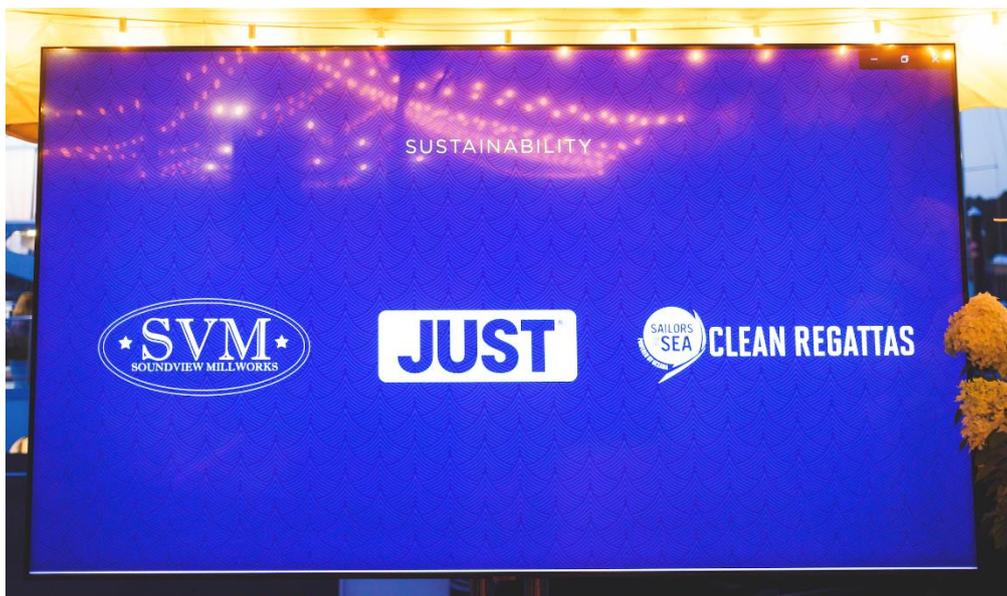

We publicized our sustainable efforts prior, during and after the event. (Main channels: e-blasts, social, website, digital signage and on property with the Clean Regatta activation locate in Race Village). Also promoted our sustainability efforts through our partnerships with brands like Beau Lake and X Shore. We also sent 33 e-blasts to 55,000+ members and included our sustainable partner on each e-blast.

7. Involve Local Organizations:

We partnered with Sailors of the Sea (RI), Soundview Millworks (RI) to provide sustainable awards, Seabags to provide reusable bags and gifts for our members! We also partnered with X Shore (electric boats) to get members on the water & Mark Set Bots to provide sustainable markers.

8. Post Educational and Reusable Signage:

We went as digital as we could with signage. All of Race Weekend's A-frames signs will be used again next year. We ordered Race Weekend flags that will also be used again next year and displayed a Sailors of the Sea flag that was showcased throughout the entire event. We also used TVs and ran logos (including Sfs Clean Regattas) and messaging throughout all social events.

9. Serve Local Food or Source Seafood Sustainably:

We served local the entire weekend! We hosted a New England Clambake on Friday night and Saturday night we hosted a classic Rhode Island local food! At Belle's Cafe we always serve as local as we can.

10. Organize a Green Team:

Our Green Team on the water!

11. Ensure Proper Waste Bin Placement and Signage:

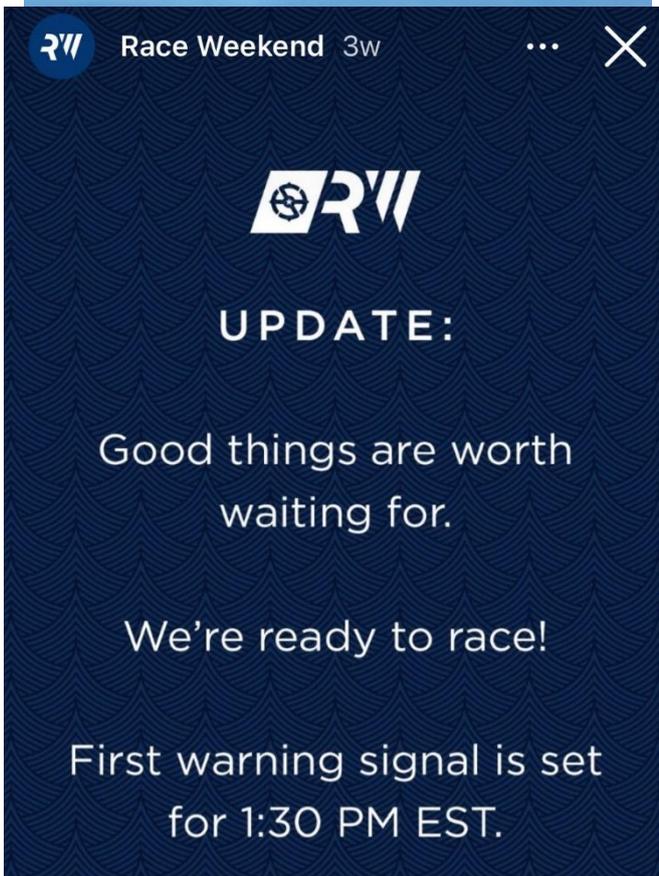

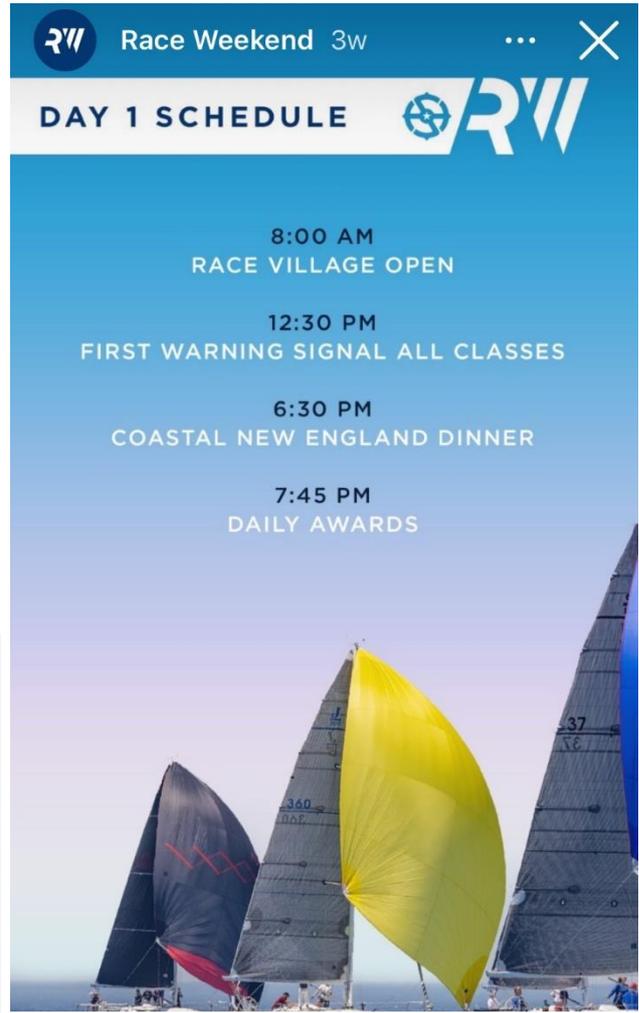

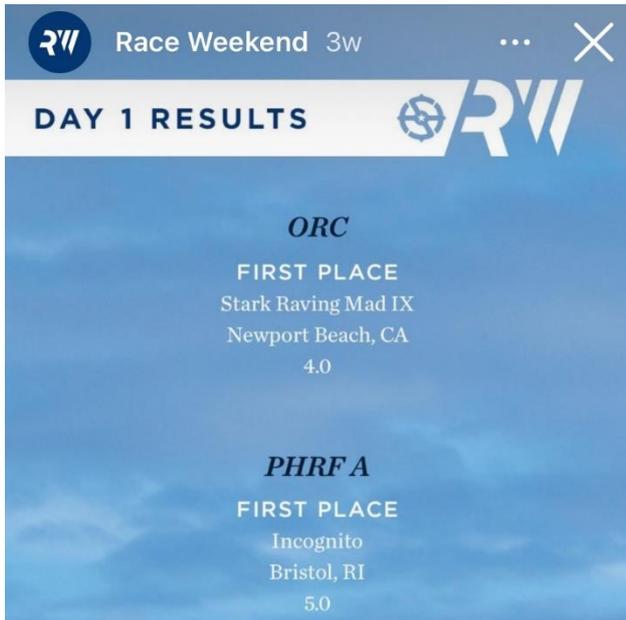

We recycle at all of our properties as well as compost! These are out all year long for our members and showcased at Race Weekend. You can also see that we ensure proper bin placement.

12. Divert Food Waste from the Landfill:

We already compost at our properties - super easy for us to continue that throughout Race Weekend.

13. Use Paperless Event Management:

August 13-15, 2021
Newport, RI

2021 Safe Harbor Race Weekend Preliminary Scratch Sheet

Class Specific Report:

Initial Starting Sequence

Racing Area: Safe Harbor Race Weekend Div 1	
1	Performance Cruising Spinnaker PHRF_ToT
1	Performance Cruising Non-Spinnaker PHRF_ToT
2	PHRF C PHRF_ToT
3	PHRF B PHRF_ToT
4	PHRF A PHRF_ToT
5	ORC ORC

... of the day. Subsequent races may be started in different order. Please check the NOR, SI and follow your RC on the water instructions.

Skipper	Yacht Club	Home Port	Yacht Type	Length	Rating
ToD / ToT					
Jim Gelfer	NYYC	Newport, RI, USA	Beneteau Figaro 3	33	41.0 / 1.0998
Ben De Voe	NYYC	Jamestown, RI, USA	Swan 46	46	73.0 / 1.0433
Andrew Besheer	New York, RORC, STC, LYC	Bronxville, NY, USA	Farr 30	30'11"	49.0 / 1.0851
Francis Curren	NYYC IDA	Newport, RI, USA	Westerly Marine RP 60	60	-59.0 / 1.3238
Frederick Mills / Nikolai Tollborg	STYC	Middletown, RI, USA	Vic Carpenter 65	63	-13.0 / 1.2104
Steven Eddleston	IYAC	Bristol, RI, USA	12m	68	30.0 / 1.1207
Richard Egan	Hyannis Yacht Club	Osterville, MA, USA	J 46	46	45.0 / 1.0924

We have a bunch of this! For sure went with the digital route. (e-blast, social, digital signage instead of sponsor banners, etc.) We communicated with e-blast for all of our logistics for the event, including QR codes for the agenda! We also used Yacht Scoring for all racing.

14. Host a Beach or Marina Clean-up:

In 2017, Safe Harbor was honored to partner with the Seabin Project as one of only 6 Global Pilot Partners in the world. At launch, we were proud to be the first organization in North America to install the innovative Seabin technology into our locations. At Safe Harbor New England Boatworks (a host location of Safe Harbor Race Weekend), we have installed a similar technology, the marina trash skimmer, which collects debris.

15. Promote Alternative Transportation:

We have bikes on property for alternative transportation. We also had one bus set up take all of our members out to Safe Harbor NEB from SH Newport (helped our carbon footprint)

16. Increase Awareness of Wildlife and Habitat Protection:

Through enterprise-wide initiatives like our Environmental Management System to partnering with solution-minded environmental organizations, we actively participate and invest in building a cleaner tomorrow for future generations.

17. Offer Vegetarian or Vegan Alternatives:

Belle's
— CAFÉ —

From the Griddle

Shipyards Sandwich • 8
Egg & Cheese with a choice of ham, bacon or sausage on your choice of bread. *On a croissant • 1.25*

1 Washington Street
Newport, RI 02840

401.619.5964
Daily | 8:00 AM - 3:00 PM
Dinner | Fri & Sat, 5:00 PM-9:00 PM

Belle's

We served vegetarian options at our restaurant on property and at all of our social events.

18. Use Eco-Smart Race Management Techniques

We partnered with Mark Set Bots and rented them out for Race Weekend!

19. Prevent Toxins from Entering the Water

The marina trash skimmer not only collects debris, but oil slick from the water as well.

20. Encourage Green Boating Practices

We partnered with X Shore and got our members out on the water without burning fuel to see Race Weekend in action. We also promoted sailing and cutting back on fuel and the spot in general.
